

## Request For ABS Type Approval & Agreement

### Original Equipment Designer or Manufacturer's (OEM) Information:

COMPANY NAME: Advanced Polymer Coatings, Ltd.  
ADDRESS: 951 Jaycox Road - P.O. Box 269, Avon, Ohio 44011 U.S.A.  
PHONE NO.: 440-937-6218 FAX NO.: 440-937-5046  
General Information E-mail address: [marineline@adv-polymer.com](mailto:marineline@adv-polymer.com) WEBSITE: [www.adv-polymer.com](http://www.adv-polymer.com)  
E mail of OEM's representative responsible for contact with ABS: [don.keeahan@adv-polymer.com](mailto:don.keeahan@adv-polymer.com)

NOTE: Unless otherwise mutually agreed in writing, all services and certificates rendered are governed by the terms and conditions on the reverse side hereof. Product Type Approval requires that the manufacturer have a current Product Design Assessment Certificate (PDA) and a Manufacturing Assessment.

1. PRODUCT NAME: SEE ATTACHED
2. MODEL NO: "
3. DEFINE HOW YOU WANT THE PRODUCT DESCRIBED IN THE WEB SITE. (Please attach a separate sheet or a product brochure.) "
4. INTENDED SERVICE:
5. The ABS Technical Office you contact will advise you of the ABS Rules that apply to the product. The contacts for the ABS Technical Offices may be found at [www.typeapproval.org](http://www.typeapproval.org). ABS will base its design evaluation for inclusion in the Type Approval Program on ABS Rules, Guides and/or the codes and standards that you specify for inclusion in the PDA. Please ensure that appropriate supporting documentation is included in your submittal to facilitate the design evaluation process.
6. Please specify **Additional Standards** that you want to be associated with the product:
7. **Manufacturing Assessment:** Two categories of quality assurance and quality control have been recognized in the ABS Type Approval Program. Please indicate with a check mark the category you are applying for:
  - Not Required
  - **Acceptable Quality System (AQS):** is a system in substantial agreement with a standard such as ISO 9000 series or equivalent and found acceptable by ABS.
  - **Recognized Quality Standard (RQS):** is a system that is in compliance with a recognized standard at least to ISO 9000 series or equivalent and so certified by a recognized certification body.

I understand that ABS defines the Original Equipment Designer or Manufacturer (OEM) as the person or legal entity that has the legal right to produce the product and in fact designs or produces the product. I warrant that I have the authority to present the product for ABS Type Approval and the authority to use and distribute all information and data supplied in support of this application for ABS Type Approval.

SIGNED:  DATE: 9/6/05

TA\_APP (06/04) SEND TO: Any ABS Technical Office Worldwide, along with three (3) copies of drawings describing the product; and, where applicable, test data and/or calculations indicating compliance to the above specified ABS Rule, Guide and/or code or standard. A list of the Technical Offices may be found at [www.typeapproval.org](http://www.typeapproval.org) and they can assist in the preparation of this application
